WENTON LETTER

We have as fine a town as there is

ficiated.

Once in a while we see in the TRIB-INE letters from this place, but they dom continue more than three or four weeks. Certainly they are not opped for a lack of matter, for there dally transpire things that would fill a column. To some the name of Lowell may sound strange, yet it is worthy of the name and an honor to the catalogue in which it is described. Like all other cities of importance, it has a definite boundary. Its north, south and east limits extend to the banks of Owl Creek, and on the west fertile fields. Situated on both sides of Portland street, it presents a fine ercises of the occasion. The object of GET your nice new hat at Leiner's.
